## Warehousing conditions

- Before opening, can be stored outside the fridge (ideally below 20°C/68°F).
- Once opened, to be enjoyed within 48 hours and to be stored between 0°C/32°F and 4°C/39°F.
- Best before : 180 days from date of production.

## Labelling

- Health mark : FR-25 241 050-CE
- Recipe : H8
- Lot identification : recipe + year + day of year (example: H8-22340)

## Typical use

Shake well before use to homogenize the product.  
Heat to +80°C/176°F out of the carton, then pour in the desired containers.  
Place the containers in the refrigerator for at least 2h for the product to set.

Customs code : 1901 90 99 90
