5.

Capacity (ml)	720	720	4250
Net weight (g)	700	700	4200
Drained weight (g)	350	380	2500

6. * Permissible negative error value - in accordance with the applicable Act on packaged goods.

7. Organoleptic characteristics:

- consistency: chopped beetroots
- color: typical of beetroot
- taste and smell: sweet and sour, typical of beetroot, without foreign aftertastes and smells

8. Physico – chemical characteristics :

- total acidity expressed as acetic acid %(m/m) not less than - 0.5
- sodium chloride content – not more than 2.0%
- total extract determined by refractometry%(m/m) not less than – 5.0
- organic pollutants Vegetable %(m/m) not more than - 0.05
- pH < 4.5

9. Maximum level of contamination with metals harmful to health:

Pb, Cd - in accordance with applicable EU regulations

10. Maximum level of residues of chemical plant protection products:

in accordance with applicable EU regulations

11. Microbiological characteristics:

- Durability determined by the thermostat test - the appearance of the packaging and the organoleptic characteristics of the product remain unchanged after the thermostat test.

12. Storage conditions: closed warehouse, store in a dry and cool place. After opening, store in the refrigerator.

13. Transport and distribution method: jars packed in heat-shrinkable foil and/or cardboard, placed on a pallet, transported with a forklift

14. Shelf life: 23 months from the date of labeling, up to a maximum of 36 months from the date of production. This period is determined on the basis of storage tests available for inspection by official control units.

15. Nutritional values per 100g

Energy value	211 kJ/ 50 kcal
Fat	< 0,5 g
Of which saturated fat	< 0,1 g
Carbohydrates	10 g
Of which sugars	10 g
Protein	0,9 g
Salt	0,62 g

16. Label contains: name of the product, ingredients, marking of the jar capacity, name and address of the person placing the product on the market, net weight, drained weight, EAN code, method of marking the date of minimum durability and batch number, nutritional table, storage conditions, symbolic photo/serving suggestion, recycling signs.
