Allergens

based on ingredients used in production process which are declared in the list of ingredients according to the relevant legal requirements of the EU in the currently valid version and the Netherlands Levensmiddelenbank (former ALBA, as of September 2017)

Cereals containing gluten*	no	Celery*	no	Chicken meat*	no
Crustaceans*	no	Mustard*	no	Coriander*	no
Eggs*	no	Sesame seeds*	no	Corn/ maize*	no
Fish*	no	SO ₂ and sulphites >10 ppm in terms of the total SO ₂	no	Legumes*	no
Peanuts*	no	Lupin*	no	Beef*	no
Soybeans*	no	Molluscs*	no	Pork*	no
Milk (including lactose)*	no	Cocoa*	no	Carrot*	no
Nuts*	no	Glutamate (E 620 - E 625)	no		

*and products thereof

Note: May contain traces of milk.

Genetically modified organisms (GMO)/Suitability for specific diets

in accordance with the relevant legal requirements of the EU in the currently valid version

GMO labelling requirement according to EU legislation for the Material	no
The Material consists of GMO	no
The Material contains GMO	no
The Material is produced from GMO	no
The Ingredients of the Material are produced from GMO	no
The Material is suitable for people with celiac disease ("gluten-free", max. 20 ppm gluten)	yes
The Material is suitable for a vegetarian diet (definition according to the European Vegetarian Union, i.a. no animal rennet allowed)	yes
The Material is suitable for a vegan diet	yes

Additional Particulars

in accordance with the relevant legal requirements of the EU and Germany in the currently valid version

packaged in a protective atmosphere	no	with colour	yes
with sweetener(s)	no	with preservative	no
with sugar(s) and sweetener(s)	no	with nitrite salting mix	no
contains aspartame (a source of phenylalanine)	no	with nitrate	no
excessive consumption may produce laxative effects	no	with nitrite salting mix and nitrate	no
contains liquorice	no	with antioxidant	no
contains liquorice - people suffering from hypertension should avoid excessive consumption	no	with flavour enhancer	no
High caffeine content. Not recommended for children or pregnant or breast-feeding women	no	sulphurated	no
Contains caffeine. Not recommended for children or pregnant women	no	blackened	no
with added plant sterols	no	waxed	no
with added plant stanols	no	with phosphate	no

Compliance

- The Material and its production conform to the relevant legal requirements of the EU and Germany (Germany as far as applicable) for food in the currently valid version. The necessary authorizations for production purposes are being maintained.
Hygiene/HACCP: The production, storage and transport of the Material conform to the relevant legal hygiene requirements of the EU and Germany (Germany as far as applicable) in the currently valid version. An HACCP system is installed.
Residues and contaminants: The Material conforms to the relevant legal requirements of the EU and Germany (Germany as far as applicable) regarding residues and contaminants in the currently valid version. A system for verification is installed. The Material and its ingredients have not been treated with ionizing radiation and/or ethylene oxide.
Traceability: Traceability conforms to the relevant legal requirements of the EU and Germany (Germany as far as applicable) in the currently valid version.
GMO: According to the relevant legal requirements of the EU and Germany (Germany as far as applicable) in the currently valid version the Material does not have to be labelled regarding GMO. The Material is not a genetically modified organism (GMO). It does not contain GMO and does not consist of GMO. It is not produced from GMO and does not contain ingredients produced from GMO.
Novel Food: The Material and its ingredients are not Novel Food.
Nano: The Material and its ingredients have not to be labelled "nano".
Packaging: The primary packaging material conforms to the relevant legal requirements of the EU and Germany (Germany as far as applicable) for food contact materials in the currently valid version. Declarations of compliance are available. In case of delivery without packaging material the conveyances comply with the requirements of Regulation (EC) No 852/2004 Annex II Chapter IV (Transport).
- Halal: The Material is Halal certified.
- Vegan: The Material is licensed vegan according to V-Label.

Note

The specified data apply when Material is properly stored according to the MEGGLE MATERIAL INFORMATION. The information is confidential. Compliance with legislation or requirements other than of the EU and Germany is within the responsibility of the customer. The information contained herein is reliable to the best of our knowledge and belief.
